I. Introduction

The Office of the Deputy Mayor for Planning and Economic Development (“**DMPED**”) invites the submission of applications from qualified organizations for the FY23 DC Family Fun Destinations Program (“**DC Family Fun Destinations Program**” or “**Program**”). The purpose of the Program is to promote the development of permanent or semi-permanent family-friendly Projects in the District of Columbia (“**District**”).

The Program will provide grants for the purpose of creating or enhancing public spaces, exhibits, or activities that will attract families to the District’s Central Business District or other nearby commercial corridors. The Program will incentivize the development or enhancement of permanent or semi-permanent attractions that will drive foot traffic, offer a new experience to the surrounding neighborhood, and create economic impact (“**Project**”). The term “attraction” means an indoor or outdoor facility or space that is open to the public for cultural, recreational, or entertainment uses.
