Section A: Funding Opportunity Description

Background

The District of Columbia Department of Employment Services (DOES) connects District residents, job seekers, and employers to opportunities and resources that empower fair, safe, and effective working communities. DOES, a proud partner of the American Job Center, is an equal opportunity employer/service provider. Translation and interpretation services are available, upon request, to persons with limited or no English proficiency. Auxiliary aids and services are available, upon request, to persons with disabilities.

DOES, through its Division of State Initiatives (DSI), oversees programs designed to serve District residents experiencing multiple barriers to obtaining permanent employment, including court-involvement, incarceration, homelessness, substance abuse, and educational deficiencies. DOES DSI' signature programs, Project Empowerment (PE) and DC Career Connections (DCCC), are designed according to the nationally recognized transitional jobs network program model. PE and DCCC provide job readiness and life skills training, short-term subsidized work experience, as well as ancillary wrap-around services. DOES' goal is to provide PE and DCCC participants with the tools and experience necessary to obtain permanent, unsubsidized gainful employment that can be used to forge a path to the middle class.

Scope

DOES DSI is seeking qualified organizations to provide job readiness training services, along with short-term subsidized work experience and job placement services to 180 District residents with barriers to employment that are eligible for enrollment into a DOES DSI program. To increase program retention and successful completion, Grantees will provide support services¹ and will coordinate an **optional**² subsidized work experience that are conducive to developing the soft skills and work experience that increases the probability of successfully obtaining permanent unsubsidized employment.

Organizations must have the infrastructure needed to deliver training effectively, facilitate job development and placement services, as well as the human capital needed to serve residents with multiple barriers to employment.

The subsidized work experience must be approved by DOES DSI and facilitated through an employer partner that has the capacity to train and hire participants. Subsidized work experience host sites must be coordinated by the GRANTEE and a host site agreement must be approved by DOES DSI, prior to commencing the work experience. DOES DSI may deny a host site agreement or discontinue a host site agreement. DOES DSI will facilitate training wage payment in the amount of \$11 per hour to participants approved to participate in subsidized work experience.

5. Job Placement

The GRANTEE shall facilitate job placement for a minimum of 74 participants or 55% of the participants that successfully complete the training, whichever is higher.. The job

Section C: Application Format

Applicant Profile

Each application must include an Application Profile, which identifies the applicant type of organization, program service area and the amount of the funds requested.

Applicant Summary

Each application must include an Application Summary. This section of the application must summarize the major components of the application.

Program Narrative

The applicant must provide a full description of how the program will be carried out by responding to the application requirements in Section F. The three (3) main components of the program narrative are:

- Organizational Profile
- Participant Profile
- Program Description

Past Performance

Applicant shall provide any prior awarded contract or grant, evaluations and/or data that would highlight the organization's past performance and capability of successfully completing the stated program requirements.

All applicants must submit past performance forms – using the provided template, “Attachment B”. If the applicant has received a contract/grant from DOES within the past three years, you must submit “Attachment B” for all such completed contracts/grants.

If your organization has not completed any outside contracts or grants for similar work or is unable to provide three completed “Attachment B” forms, your score on this measure will reflect this lack of past performance documentation.

Itemized Budget and Budget Narrative

All applicants must submit an itemized budget and a budget narrative for all funds requested. The budget narrative should serve as an independent document that clearly outlines all proposed expenditures for the grant. Budget narratives must detail how funds will be expended towards the program.

The budget section should also contain assurances that no funds received as a result of this grant will be used to supplant any formula funds dedicated towards the targeted population, administrative efforts, or other regularly occurring activities.

The itemized budget can include the following items:

- Personnel
- Fringe
- Equipment
- Materials & Supplies
- Contractual Services
- Other Direct Costs
- Indirect Costs

Please see Attachment A for definitions of budget items listed above.

Food for staff or participants enrolled in the program is not an allowable expense under this grant.

Section D: Program Narrative

Program Narrative

This section applies to each of the strategic categories and is where you clearly describe your proposed program in detail. Please ensure that you include each of the following:

Organization Profile

- State the mission of your organization.
- Describe the history of your organization (year founded and by whom) and its size (budget and staff).
- Describe the experience your organization and staff have to deliver the proposed program.

Participant Profile

- Describe how your programming is designed to provide quality service outlined within this RFA.
- Describe your experience working with the targeted population. Describe the anticipated challenges and the strategies to overcome them.

Program Description

- Identify and describe how your organization will deliver the desired service. (See Section A). Describe how your organization has historically provided programming or services, including the use of an in-person or virtual platform.
- The extent to which the applicant has provided a description of in person or virtual platform where program activities will be carried out.

- Describe how your organization will meet the performance deliverables outlined in this RFA. What specific activities, strategies, and projects will participants be engaged in throughout the program.

Section E: Application Review and Scoring

Review Panel

A review panel will be composed of a minimum of three individuals who have been selected for their unique experience and expertise in workforce and business development, data analysis, evaluation of programs and past performance, and social services planning and implementation. The review panel will review, score, and rank each application using the Technical Rating Scale in Table 1 against the established Scoring Criteria in Table 2

Table 1: Technical Rating Scale

Technical Rating Scale		
Numeric Rating	Adjective	Description
0	Unacceptable	Fails to meet minimum requirements, (e.g., no demonstrated capacity); major deficiencies which are not correctable; Applicant did not address the factor
1	Poor	Marginally meets minimum requirements; major deficiencies which may be correctable
2	Minimally Acceptable	Marginally meets minimum requirements; minor deficiencies which may be correctable
3	Acceptable	Meets requirements; no deficiencies
4	Good	Meets requirements and exceeds some requirements; no deficiencies.
5	Excellent	Exceeds most, if not all, requirements; no deficiencies.

The technical rating is a weighting mechanism that will be applied to the point value for each scoring criterion to determine the applicant's score for each criterion. The applicant's total technical score will be determined by adding the applicant's score in each scoring criterion. For example, if a scoring criterion has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, and the District evaluates the applicant's response as "Good," then the score for that criterion is 4/5 of 40 or 32.

Scoring Criteria

The review panel will review all applications that pass an initial internal checklist of required application components. Responsive applications will be evaluated strictly in accordance with the

requirements stated in this RFA.

Each reviewer will independently review and objectively score applications against the specific scoring criteria outlined in Table 2, based on a 100-point scale.

- Organization Profile 10 points
- Participant Profile 20 points
- Program Description 40 points
- Past Performance 15 points
- Budget and Budget Narrative 15 points
