

District of Columbia
Child and Family Services Agency (CFSA)
Request for Applications (RFA)
Citizen Review Panel (CRP) Facilitation

SECTION I: GENERAL INFORMATION

The District of Columbia Child and Family Services Agency (CFSA) intends to award a grant to a non-profit organization or entity, individual, or academic institution, hereinafter referred to as Applicant, to provide coordination, facilitation and support of the federally mandated District of Columbia Citizen Review Panel (CRP).

The successful Applicant will appoint one person to the position of CRP Facilitator. This incumbent will serve as the designated key contact person that supports, facilitates, and enhances the mission and activities of the CRP.

The successful Applicant must demonstrate the capacity to undertake the full responsibilities of this role beginning in June 2022.

Background and Need

In order to effectively prevent and respond to child abuse and neglect concerns, the vital work of child protective services (CPS) and law enforcement professionals must be augmented by key community stakeholders actively working together toward the shared goal of keeping all children safe. Those key stakeholders include parents, relatives, caregivers and other concerned adults, attorneys and advocates, education and health care providers, religious organizations and other important community organizations such as those dedicated to meeting the challenges of domestic violence and substance abuse.

In order to organize this essential community diversity and expertise in such a way as it may provide constructive guidance and recommendations to local child welfare services, the federal Child Abuse Prevention and Treatment Act (CAPTA) Amendment of 2003 requires that States establish one or more CRP's based on the financial allotment each State receives under Title II of CAPTA.¹ In meeting its commitment under this mandate, CFSA must establish one CRP.

¹ The President signed the CAPTA Reauthorization Act of 2010, Public Law (P.L.) 111-320 into law on December 20, 2010. The law reauthorizes and amends the Child Abuse Prevention and Treatment Act, the Family Violence Prevention and Services Act, the Child Abuse Prevention and Treatment, and Adoption Reform Act of 1978 (the Adoption Opportunities Program), and the Abandoned Infants Assistance Act of 1988.

The District of Columbia CRP was first established in 1999. It consists of a chairperson and up to 14 additional members.

The membership of the District of Columbia CRP:

- Must be volunteers who are broadly representative of the community in which the Panel is established, including members who have expertise in the prevention and treatment of child abuse and neglect.
 - Panel membership should include a diversity of professional backgrounds on the panel, such as children's attorneys, child advocates, parents, foster parents, and other consumer representatives, social workers, educators, and health and mental health professionals who are familiar with the child welfare system.
 - In order to preserve impartiality and negate conflicts of interest, no person employed by federal, state, county or municipal agencies that directly deliver child welfare services may be a CRP member.
- Cannot disclose any identifying information about any specific child protection case to any person or government official. A member who knowingly violates this duty of confidentiality may be subject to a civil penalty not to exceed one thousand dollars and removal from the CRP.
- Must elect a chairperson.
- Must meet not less than once every three months.

Target Population

The designated grant funds are specifically available to support the effective functioning of the District of Columbia CRP. The CRP is mandated by CAPTA to evaluate and recommend improvements to the local child welfare system. As such, all children living in the District of Columbia who are either at risk of or who actually are experiencing neglect or abuse will indirectly benefit from the allocation of these resources.

Eligible Organizations/Entities/Individuals

CFSA is seeking a non-profit organization or entity, individual, or academic institution to recruit and install an appropriate individual to facilitate and support the CRP. Local educational or academic establishments offering programs in social work, public health or public policy might, for example, be excellent sources of willing and suitably qualified candidates, whether from the teaching staff or graduate student body, for the CRP Facilitator position.

It should be noted that organizations responsible for the direct delivery of child welfare services are exempted from consideration and should not apply.

Governmental organizations are not eligible to apply.

Applicants who hold current Grant Agreements or Contract Agreements with CFSA, or whose members hold current Grant Agreements or Contract Agreements with CFSA, are eligible to apply provided the services do not conflict with a current Grant or Contract Agreement. Such Applicants must identify potential areas of conflict of interest in the delivery of services to children and families involved with CFSA and demonstrate how services under this funding announcement shall not conflict with or compromise other existing grant or contractual obligations.

SECTION II: AWARD INFORMATION

Source of Grant Funding

The funds made available are federal dollars appropriated by CFSA through the Child Abuse and Prevention Treatment Act.

Successful Applicant(s) must be prepared to sign the Grant Agreement within thirty (30) days of notification of the intent to award. The District may extend the term of the Grant Agreement for a period of four additional one-year option periods, or successive fractions thereof by written notice to the Grantee, should further appropriations be made available or funds from other sources be made available. The notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of the option.
