

**DEPARTMENT OF ENERGY AND ENVIRONMENT
NOTICE OF FUNDING AVAILABILITY**

DC High Water Mark Project

(Short name: DC HWM)

RFA # 2021-2030-RRD

The Department of Energy and Environment (the Department) seeks eligible entities to provide a high quality, cost-effective and unique way to communicate instances of historic and projected flooding through the design, production, and installation of a High Water Mark visual presentation at The Wharf in the District of Columbia. The amount available for the project is \$30,000.

Beginning January 29, 2021 the full text of the Request for Applications (RFA) will be available on the Department's website. A person may obtain a copy of this RFA by any of the following means:

Download from the Department's website, www.doe.dc.gov. Select the *Resources* tab. Cursor over the pull-down list and select *Grants and Funding*. On the new page, cursor down to this RFA. Click on *Read More* and download this RFA and related information from the *Attachments* section.

Email a request to flood.risk@dc.gov with "Request copy of RFA #2021-2030-RRD" in the subject line.

The deadline for application submissions is March 01, 2021, at 11:59 p.m. A complete electronic copy must be e-mailed to flood.risk@dc.gov.

Eligibility: All the checked institutions below may apply for these grants:

- Nonprofit organizations, including those with IRS 501(c)(3) or 501(c)(4) determinations;
- Faith-based organizations;
- Government agencies
- Universities/educational institutions; and
- Private Enterprises.

For additional information regarding this RFA, write to: flood.risk@dc.gov.
