## Section I: General Information

### Introduction

The American Rescue Plan Elementary and Secondary School Emergency Relief – Homeless Children and Youth Fund (ARP-HCY) authorized by the U.S. Department of Education (USED) under section 2001(b)(1) of the American Rescue Plan Act of 2021, Public Law 117-2 aims to support the specific and urgent needs of children and youth experiencing homelessness in recognition of the extraordinary impact of the COVID-19 pandemic on students experiencing homelessness.

Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (MKV) authorizes the federal [Education for Homeless Children and Youth \(EHCY\) Program](#). MKV defines children and youth experiencing homelessness and is the primary piece of federal legislation related to the education of children and youth experiencing homelessness. It was reauthorized in December 2015 by Title IX, Part A, of the [Every Student Succeeds Act \(ESSA\)](#). ARP-HCY funding was released by USED’s EHCY Program to state education agencies (SEAs) as a supplement to EHCY grants. Accordingly, the federal guidelines of MKV apply to ARP-HCY funding as well.

OSSE recognizes the importance of awarding state-level set aside funds received through the second phase of ARP-HCY funding, known as ARP-Homeless II, to community-based, faith-based and nonprofit organizations that are well-positioned to identify historically underserved populations of children and youth experiencing homelessness (i.e., students of color, children and youth with disabilities, English learners, LGBTQ+ youth, and pregnant, parenting, or caregiving students). Such organizations are ideal for providing supports and wraparound services to those in need of educational services as well as programming that supports academic achievement and mitigates learning loss as a result of the COVID-19 pandemic.

### Purpose of Funds

Through this RFA, OSSE is soliciting proposals from eligible applicants for the FY23 ARP-Homeless II CBO Grant. The purpose of this grant is to increase the capacity of OSSE and local education agencies (LEAs) by utilizing experienced District-based organizations with a demonstrated history of success working with children, youth and families experiencing homelessness to: 1) identify children and youth experiencing homelessness who have been impacted by COVID-19; 2) support them in accessing educational and/or wraparound services to meet their needs; and 3) deliver training, technical assistance, and capacity building to strengthen the provision and coordination of services for this population of children, youth and families within their organizations and in LEAs/schools.

Funding is available for activities in each of the following focus areas:

- **REENGAGE: Reengage students and families in school**
  - Activities must include the identification of underserved populations of children and youth experiencing homelessness (i.e., students of color, children and youth with disabilities, English learners, LGBTQ+ youth, and pregnant, parenting, or caregiving students) who have been disconnected from school due to the COVID-19 pandemic.

- Such activities may include:
  - community/street outreach;
  - translation of printed materials highlighting educational rights and resources for students and families experiencing homelessness; and
  - supports for disconnected youth experiencing homelessness.
- **RESOURCES: Connect students and families to homeless education supports**
  - Activities must include providing or connecting students experiencing homelessness to resources that mitigate the impacts of COVID-19 and support student academic achievement.
  - Such activities may include:
    - wraparound services for expectant/parenting youth, LGBTQ+ youth, students with disabilities, EL students and other disadvantaged populations of children and youth experiencing homelessness;
    - expansion of youth emergency shelter & existing youth transitional living program (TLP) beds (for youth ages 15+); and,
    - mental health, dental or medical services.
- **RECOVER: Support students to recover unfinished learning**
  - Activities must address learning loss and achievement gaps of students experiencing homelessness.
  - Activities must include training, technical assistance, and capacity building provided by the applicant to improve the provision and coordination of services for children, youth, and families experiencing homelessness within an applicant’s organization and/or LEAs/schools.
  - Such activities may include:
    - trainings and technical assistance for LEAs/schools focusing on the impact of COVID-19 on students and families, trauma-informed care, racial equity and various best practices for supporting underserved populations of children, youth and families experiencing homelessness; and,
    - community outreach materials and/or public service announcements (in various languages in accordance with the District’s Language Access Act) highlighting the educational rights of students and families experiencing homelessness.

### Source of Funding

Funding for the FY23 ARP-Homeless II CBO Grant is provided by the U.S. Department of Education under section 2001(b)(1) of the American Rescue Plan Act of 2021.

### Funds Available

The total amount available for awards is \$274,633.50. OSSE anticipates awarding at least six eligible community-based organizations. No more than ten eligible community-based organizations will be awarded for this grant competition.

## Funding Period

The grant award period begins on October 1, 2022, and ends on September 30, 2023.

OSSE also anticipates that grant funds for this program will be available through fiscal year 2024 (FY24). Applicants will be required to complete a continuation application for the additional fiscal year (FY24). Continuation of awards through funding for the fiscal year 2024 is contingent upon:

- Availability of funds;
- Recipient's implementation operation of the grant as submitted in the application;
- Recipient's demonstration that substantial progress has been made toward meeting the objectives set forth in the approved application, based on ongoing monitoring of the recipient and reporting from the recipient; and
- Compliance with the District and federal laws, regulations and guidance; and,
- Appropriate expenditure of funds throughout each grant award period.

## Eligibility

Eligible applicants include established community-based organizations (CBOs), faith-based organizations and nonprofit organizations who meet the following criteria:

- Must have demonstrated success or experience serving students experiencing homelessness in pre-kindergarten through the twelfth grade within the District of Columbia;
- Must have demonstrated success or experience in urban areas and/or with local education agencies (LEAs)/school districts.
- Must be in good financial standing with the District of Columbia, per the [Clean Hands Law D.C. Code § 47-2862](#).

## Permissible Use of Funds

Uses of funds may include, when responding to the impact of the COVID-19 pandemic, expenses that are reasonable and necessary to facilitate the identification, enrollment, retention, and educational success of children and youth experiencing homelessness. Funds must be used to complete deliverables as described in the program requirements of this RFA.

The funds associated with this RFA are available strictly on a reimbursement basis and may only be used for allowable grant project expenditures during the grant period and costs must:

- Meet requirements of permissible use of federal funds within EDGAR 34 CFR Part 75, 2 CFR Part 200 as adopted in 2 CFR Part 3474, 2 CFR Part 180 as adopted in 2 CFR 3485; and
- Align with and support the project(s) described in the organization's application.

Payment of grant funds shall be made through the OSSE Cost Reimbursement Process in the Enterprise Grants Management System in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements at 2 CFR Section 200.305. Once a grantee has an approved application, they can claim reimbursement for any allowable expenditures incurred in the approved award period to date. Grantees must submit at least one reimbursement per quarter in which they expended funds. The reimbursement request must include all funds expended, but not yet claimed for reimbursement.

All grant project budgets will be reviewed by a review panel, as well as K-12 Systems and Supports (K12SS) staff, to ensure that planned expenditures are allowable and are appropriate, reasonable, and necessary to support the grant objectives.

## **Section IV: Scoring**

### **Review Panel**

The grant described in this RFA will be awarded competitively. A panel of external reviewers will be convened to review, score, and rank each application. The review panel will be composed of neutral, qualified, professional individuals selected for their expertise, knowledge, or related experiences. The application will be scored against a rubric and each application will have multiple reviewers to ensure accurate scoring. The complete rubric can be found in [EGMS](#) for review and as Appendix B of this RFA. Upon completion of the panel’s review, the panel(s) shall make recommendations for awards based on the scoring rubric(s). The State Superintendent of Education, or his/her designee, will consider those recommendations, but all final award decisions are left to the Superintendent’s, or his/her designee’s, discretion.

## **Section V: Award Administration**

### **Grant Award Notice and Payments**

In order to be awarded a grant, organizations must establish eligibility by submitting an application to OSSE in accordance with the relevant program statute(s) and this RFA. Each awarded applicant will receive a Grant Award Notification (GAN) generated through OSSE’s [EGMS](#) that will include the award amount, award agreement, terms and conditions of the award, and any supplemental information required. Once OSSE has fully approved the application and issued an official GAN, grantees may then receive payment for allowable expenditures for which obligation was made during the grant period.

OSSE has implemented a reimbursement process for all grantees. Grant award payments are reimbursable on a monthly (and no later than quarterly) basis. Program costs must be paid by the grantee to the payee prior to requesting reimbursement; it is not sufficient for costs merely to be incurred. Compliance with programmatic and fiscal implementation and reporting will be considered when paying reimbursement requests. To receive reimbursement for grant program expenditures, OSSE grantees must complete and submit a reimbursement request electronically using [EGMS](#). Once a grantee has an approved application, they can claim reimbursement for any allowable expenditures incurred in the approved award period to date. Grantees must submit at least one reimbursement per quarter in which they expended funds. The reimbursement request must include all funds expended, but not yet claimed for reimbursement.

## Terms & Conditions

- Funding for this award is contingent on available funds. The RFA does not commit OSSE to make an award.
- OSSE reserves the right to accept or deny any or all applications if OSSE determines that it is in the best interest of OSSE to do so. OSSE shall notify the applicant if it rejects the applicant's proposal. OSSE may suspend or terminate an outstanding RFA pursuant to its own grant-making rules(s) or any applicable federal regulation or requirement.
- OSSE reserves the right to issue addenda and/or amendments subsequent to the issuance of the RFA, or to rescind the RFA.
- OSSE shall not be liable for any costs incurred in the preparation of applications in response to the RFA. Applicant agrees that all costs incurred in developing the application are the applicant's sole responsibility.
- OSSE may conduct pre-award onsite visits to verify information submitted in the application and determine if the applicant's facilities are appropriate for the services intended.
- Grantees may be required to attend one or more post-award meetings or webinars reviewing grant requirements. Information about these meeting(s) and/or webinar(s) will be shared with grantees in advance.
- OSSE may enter into negotiations with an applicant and adopt a firm funding amount or other revision of the applicant's proposal that may result from negotiations.
- OSSE shall provide the citations to the statute and implementing regulations that authorize the grant or sub grant; all applicable federal and District regulations; payment provisions identifying how the grantee will be paid for performing under the award; reporting requirements, including programmatic, financial and any special reports required by OSSE; and compliance conditions that must be met by the grantee.
- If there are any conflicts between the terms and conditions of the RFA and any applicable federal or local law or regulation, or any ambiguity related thereof, then the provisions of the applicable law or regulation shall control and it shall be the responsibility of the applicant to ensure compliance.

## Audits

At any time before final payment and during the required record retention period, the District and/or the federal government may audit the applicant's expenditure statements and source documentation.

## Training and Certifications

**Mandated Reporter Training:** Grantees are required to comply with District law<sup>1</sup> pertaining to mandated reporting. Certain individuals providing direct services to students may be identified as a mandated reporter. Mandated reporters are professionals obligated by law to report known or suspected incidents of child abuse and/or neglect. Such individuals will be required to undertake mandated reporting training at <https://dc.mandatedreporter.org/login>. In addition, grantees with staff working directly with students must have a policy on how staff, volunteers, or contractors are informed or trained for suspicion of abuse and neglect and how to contact the organization's mandated reporter.

**Bullying Prevention Policy:** A grantee that provides services, activities, or privileges to youth must maintain a Bullying Prevention Policy in accordance with the requirements of the Youth Bullying

---

<sup>1</sup> See D.C. Code §4-1321.02.

Prevention Act of 2012, D.C. Official Code §§ 2-1535.01 et seq., that is enforced on its property, sponsored functions, during transportation, and in electronic communications to students. The Youth Bullying Prevention Act provides information with respect to bullying prevention policies, codes of conduct, bullying investigations and appeals, the role of the District of Columbia's Office of Human Rights (OHR), the OHR compliance procedure, and related matters. Please visit the OHR's website for more information at: <https://ohr.dc.gov/node/567222>. Grantee may contact the OHR for template language and assistance drafting a Bullying Prevention Policy.

**Homeless Education Trainings:** Within 90 days of receipt of funding, grantees are required to attend a minimum of one homeless education training offered by OSSE's Homeless Education Program (HEP) and a minimum of one training offered by a national organization focusing on homeless education and the plight of children, youth and families experiencing homelessness. Examples of acceptable training for the purpose of this RFA section requirement include, but are not limited to, the following:

- HEP offers an "McKinney-Vento 101" training focusing on the educational rights of students experiencing homelessness and "MKV Monthly Dialogue" webinars to provide targeted technical assistance. Information on HEP trainings and webinars can be found at <https://osse.dc.gov/service/homeless-education-program>.
- The National Center for Homeless Education (NCHE) offers ongoing homeless education webinars covering a wide variety of topics. Information on NCHE webinars can be found at <https://nche.ed.gov/group-training/>.
- SchoolHouse Connection offers webinars on a wide variety of topics, such as PreK-12 and Homelessness. Information on SchoolHouse Connection webinars and additional resources can be found at <https://www.schoolhouseconnection.org/resources/>.

**CBO RECOVER Trainings:** Grantees for the **RECOVER** award type will deliver high-quality professional development on topics focusing on students and families experiencing homelessness impacted by COVID-19. Trainings can be delivered to all interested LEAs/schools, community organizations and/or service providers in both synchronous and asynchronous formats. Grantees are required to submit all training materials to the OSSE Homeless Education Program at least 30 days prior to the dissemination date for approval.

### **Staff and Volunteer Clearance Requirements**

Grantees that provide direct services to children will be required to maintain the following background checks on all of the organization's staff, volunteers, and contractors who have regular (at least once weekly) and unsupervised access to students, including those conducting virtual programming:

- DC Child and Family Services Agency (CFSA) Child Protection Registry (CPR) and signed affidavit one-year after the initial CFSA CPR Check is completed
- Federal Bureau of Investigation (FBI) criminal background check and signed affidavit one-year after the initial FBI Check
- Metropolitan Police Department (MPD) criminal background check and signed affidavit one-year after the initial MPD Check, and
- National Sex Offender Registry (NSO) and signed affidavit one-year after the initial NSO check.

One-day visitors, guests, and volunteers that shall always be under the direct supervision of a staff member with appropriate clearances are exempt.

All clearances must be valid for the duration of the grant period or renewed prior to expiration, and align with the program site requirements (DCPS, DCPCS, etc.). Employees, volunteers, or contractors who are newly hired or under contract by the organization and have unsupervised contact with youth must have background checks and clearances submitted to the appropriate agencies within the first week of employment and the organization must maintain proof of submission within the personnel file.

In the event that any staff, volunteer, or contractor has a background check returned with an issue or indication of past criminal history, the said result must be communicated to OSSE within two (2) business days. Said staff, volunteers, or contractors involved may not have unsupervised interactions with youth until OSSE has made a determination.

### **Monitoring and Reporting**

Grant recipients will cooperate with any evaluation of the program, such as providing OSSE requested data and access to records and pertinent staff. Monitoring efforts are designed to determine the recipient's level of compliance with federal and/or District requirements and identify specifically whether the grantee's operational, financial and management systems and practices are adequate to account for program funds in accordance with federal and/or District requirements. Failure to maintain compliance with such requirements may result in payment suspension, disallowance of costs or termination of the grant.

Grant recipients will be evaluated based upon their appropriate use of FY23 ARP-Homeless II CBO funds. Reimbursement requests should align with the grant's purpose and intent by providing wraparound services and necessary assistance to students experiencing homelessness. These services should assist students experiencing homelessness with school attendance and enhance their ability to fully participate in school activities. Grantees shall be required to cooperate with all requirements and information requests by OSSE relating to evaluation of the program and the collection of data, information, and reporting on outcomes regarding the program and activities carried out with grant funds. The recipient shall be required to reply and acknowledge OSSE's information requests within 48 hours and to provide requested information within ten (10) business days. OSSE staff members must have access, when requested, to: Certificates of Insurance; DCRA current Certificate of Good Standing and current Charitable solicitation Basic Business License (if applicable); and DC Office of Tax and Revenue (OTR) current Certificate of Clean Hands.

### **Confidentiality**

Except as otherwise provided by local or federal law, no recipient of this grant shall use or reveal any research, statistical information, or personally identifiable information furnished by OSSE, The Community Partnership for the Prevention of Homelessness (TCP), the District's Department of Human Service (DHS), or LEAs for any purpose other than that for which such information was obtained in accordance with this grant program. Any identifiable personal information, and any copy of such information, shall be immune from legal process and shall not, without the written consent of the person (or parent/guardian in cases involving minors) identified in the information, be admitted as evidence or used for any purpose in any action, suit, or judicial, legislative, or administrative proceeding. The grantee will protect any personally identifiable information (PII) received in administering the grant and follow all applicable laws regarding the protection and use of the PII.

**Before disclosing PII to any other party, the grantee must first receive approval from OSSE.**

### **Nondiscrimination in the Delivery of Services**
