NOTICE OF FUNDING AVAILABILITY**

Fiscal Year 2022 Clean Water Construction Treatment Works Projects

The Department of Energy and Environment (the Department) seeks to identify collaborative partners for the Department's Fiscal Year (FY) 2022 Clean Water Construction (CWC) grant application to the Environmental Protection Agency (EPA) (CFDA#66.418). Applications are requested for project partners in three categories of work: (1) sewage infrastructure projects, (2) stormwater grey infrastructure projects, and (3) stormwater green infrastructure projects. Each project must provide a water quality benefit to District waters.

DOEE may receive approximately \$7,500,000 in federal funding for CWC projects. DOEE has made no determination regarding the number of projects that will be funded or the amount of funding for any one project.

Beginning 3/19/2021, the full text of the Request for Applications (RFA) will be available on the Department's website. A person may obtain a copy of this RFA by any of the following means:

Download from the Department's website, www.doe.dc.gov. Select the *Resources* tab. Cursor over the pull-down list and select *Grants and Funding*. On the new page, cursor down to this RFA. Click on *Read More* and download this RFA and related information from the *Attachments* section.
