Solicitation Release Date: January 3, 2022

Due Date for Application: February 2, 2022

Overview

The Office of Victim Services and Justice Grants (OVSJG) provides District and federal funding to local initiatives that improve public safety; enhance the administration of justice; and create systems of care for crime victims, youth, and their families in the District. OVSJG is the State-Administering Agency (SAA) responsible for the direction of systemic criminal justice planning, coordination, management, research, training, and technical assistance. OVSJG also provides policy making expertise, advice, and counsel to the Executive Office of the Mayor on the role of victims and offenders in the criminal justice system, and evidence-based practices to respond to, intervene in, and prevent violence.

Executive Summary

The Office of Victim Services and Justice Grants is pleased to announce that it is seeking applications for grant funding for a community-based organization to support transportation costs for individuals released from the District's Central Cell Block and DC Superior Court. OVSJG anticipates making one award for up to \$100,000.

Section 1. Application Overview

1.1 Availability of Funds

The funding period is February 1 through September 30, 2022. All grant expenditures must occur within this time frame. Any costs that are incurred either before the start of the project period or after the expiration of the project period are not allowable.

OVSJG reserves the option to renew grant funding for subsequent fiscal years based upon the availability of funding and performance of the grantee.

The Office of Victim Services and Justice Grants also reserves the right to, without prior notice, reduce or cancel one or more programs listed in this RFA, reject all applications, adjust total funds available, or cancel the RFA in part or whole. Funding levels in the respective program areas and budget amount in any awarded grant, grant agreement, or Memorandum of Understanding are contingent on the continued District funding, grantee performance, and in accordance with applicable sections within the grant award and/or agreement.

1.2 Application Deadline

The electronic application properly executed by the Authorized Official must be submitted to the

Office of Victim Services and Justice Grants no later than **11:59 pm ET, February 2, 2022**. Applications submitted manually will NOT be accepted. Please be advised that it is the applicant's responsibility to ensure that the application is submitted electronically through ZoomGrants™ by the deadline via the following [link](#).

Applicants are strongly encouraged to begin the application submission process at least 48 hours in advance of the February 2, 2022 deadline for submission. Any proposal received after the specified deadline will be considered INELIGIBLE and will NOT be reviewed during the review cycle.

1.3 Submission Timeline

Oral explanations or instructions given prior to the award of grants will not be binding.

Section 2. Funding Opportunity Descriptions

Program Purpose

Individuals released from the District's Central Cell Block and DC Superior Court often face challenges accessing transportation to travel home and/or to retrieve their personal belongings. \$100,000 has been appropriated annually to support transportation costs for individuals released from these locations. Funds may support public (e.g., WMATA) and/or private (e.g., vehicle for

hire) transportation modes.

Section 3. General Program Requirements

The following sections provide an overview of general programmatic requirements and expectations for applicants who are awarded funds for any of the available grant funds. Applicants who are awarded grant funds must adhere to OVSJG's general programmatic requirements to maintain funding for their award period.

3.1 Monitoring

The OVSJG Grant Manager will monitor program services and financial administration pursuant to the terms of the grant agreement and will conduct onsite visits to the grantee's service facilities as appropriate.

Monitoring efforts are designed to determine the grantee's level of compliance with District and federal requirements and identify specifically whether the grantee's operational, financial, and management systems and practices are adequate to account for program funds. Failure to be in compliance with requirements may result in payment suspension, payment reduction, or termination of the grant. New grantees and grantees that have a high-risk classification must provide all financial back-up when submitting reimbursements and are also subject to more frequent onsite visits.

3.2 Risk Assessment Classification

If the application is awarded a grant, a risk assessment classification system will be used to assist in determining the level of grantee monitoring to be performed and the frequency thereof. After grants are awarded, each grantee will receive a risk classification based on past financial and programmatic reporting of the grantee and documentation submitted with the application, and other factors as detailed in the [*OVSJG Grant Management Policies and Procedures Manual*](#).

If OVSJG determines that an award will be made to a high-risk organization, funding restrictions may be included. If OVSJG decides to impose any funding restrictions, then OVSJG will notify the organization in writing of the restriction, the reason(s), corrective actions, and process for requesting reconsideration.

3.3 Corrective Action and Termination of Funding

In the event the programmatic, financial, or documentation conditions of the grant are not being met in a thorough and timely fashion, progressive actions will be taken, at the discretion of OVSJG, up to and including termination of funding. If a grantee is designated as high-risk due to failure to comply with administrative, financial, or programmatic requirements a corrective action plan will be established with concrete deliverables and a timeline. Failure to complete the corrective action plan may result in termination of funding. A project which is prematurely terminated will be subject to the same requirements regarding audit, recordkeeping, and submission of reports as a project which runs for the duration of the project period.

3.4 Privacy and Confidentiality

Except as otherwise provided by federal law, no recipient of OVSJG funds shall use or reveal any research or statistical information furnished under OVSJG by any person, and identifiable to any specific private person, for any purpose other than the purpose for which such information was obtained in accordance with the OVSJG program funded. Such information, and any copy of such information shall be immune from legal process and shall not, with the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or judicial, legislative, or administrative proceeding. Client records will be kept confidential and secure in accordance with the District and federal regulations. In accordance with standard practice, only aggregate data and/or individual data that are non-identifiable will be released.

3.5 Project Data Collection Requirements and Information

Evaluation Data, Performance Measures, Outcome and Impact

If selected for a grant award, applicants must provide program and fiscal data to OVSJG to track program successes or challenges and the use of awarded funds. Applicants must agree to collect and track program efforts and may be required to enter information into local data management systems. In addition, data must be provided at the individual or participant level in order to assess whether the program is being implemented as intended.

Application-Specific Goals, Objectives, Activities, and Outcomes

Applicants should identify goals, objectives, and activities in their project narrative and work plan. Grantees are required to report on progress towards goals and activities quarterly.

Example of Goals, Objectives, and Activities Format:

- Goal 1: Enhance the safety and recovery of individuals and families who have experienced gun violence.
 - Objective 1: Promote healing and wellness for primary and secondary victims of gun violence.
 - Activity 1: Provide trauma specific mental health services to 100 clients.
 - Activity 2: Connect clients to additional support services, as needed.
 - Outcome 1: Program participants will have a reduction in trauma symptoms, as measured using a validated instrument, between first appointment and a subsequent, pre-determined visit.

Please be sure in your application to (1) specify the service that you will be providing; (2) indicate how you will capture the required data measures; and (3) detail how record-keeping will occur.

Please note that OVSJG reserves the right to conduct a site visit at any point during the grant

period and request back-up documentation of all data measures and performance outcomes. All grantees are required to demonstrate the ability to collect data to support all services performed and all outcomes achieved. OVSJG also reserves the right to withhold reimbursement requests pending verification of all data provided. OVSJG also reserves the right to immediately disqualify any application that does not include performance and outcome measurements established in this section.

3.6 Reporting Requirement

All grantees are required to submit quarterly programmatic reports and financial requests for reimbursement. The programmatic reports must indicate the status of the goals and objectives as determined by the grantee in their application, as well as the data and outcome measures as proscribed. The grantee should also include any successes or challenges encountered during the report period. The financial reports indicate the status of program spending by budget category and are submitted along with all receipts, invoices, or other documentation of expenditures. **Both financial and programmatic reports are due no later than the 15th day after the end of the reported quarter. Fourth quarter financial reports will be due by the 10th of October.**

Failure to submit complete programmatic reports by the required due date will result in withholding of reimbursements and a Notice of Programmatic Delinquency. More than one Notice of Programmatic Delinquency may result in the termination of funding for the fiscal year.
