## **Part 1: Program Guidelines, Application Process, and Submission Instructions.**

### **A. Description of Funding Opportunity**

The Government of the District of Columbia, DC's Child and Family Services Agency ("CFSA") in partnership with the Department of For-Hire Vehicles ("DFHV"), is soliciting applications from all eligible DFHV licensed taxicab companies ("Taxicab Companies"), and transportation network companies ("TNCs"), with current DFHV licensing and Operational Authority to operate and manage the Education First transportation program. The Education First program is envisioned to provide a safe and secure ride for children under the legal guardianship of CFSA to and from their educational institutions. Some children may need transportation aides, which shall be determined by the CFSA social worker assigned to the program.

DFHV is seeking for-hire companies that have previous Education First or youth transportation service experience within the District of Columbia.

Entities applying for this grant program may include business partners (e.g., technology companies, support services contractors, or a combination of taxicab and TNC companies) in their application that will assist in delivering transportation service with taxicabs. In addition, the successful applicant will be expected to provide service every school day (approximately 180 transportation days or ten months per year). The applicant will need to describe within their application how they plan to design a transportation service that shall pick-up and drop-off children while providing transportation aides for each child in need of such services. The applicant must describe within their application a possible "ridesharing" concept in cases where siblings may travel to and from the same educational institution and original pick-up/drop-off location. The successful applicant will be able to provide within their narrative the following:

- professional skills and resources needed per child/per trip (i.e.: training for drivers, travel aides, booking services, etc.) to ensure successful trips are delivered,
- technology solution that meets the needs of the program (booking, pre-booking, instant booking options),
- licensed for-hire drivers and vehicles,
- incident and accident policies, driver safety training schedules, and driver customer service trainings passed or scheduled for FY23, and
- manage all facets of daily service for the program in conjunction with the CFSA/DFHV Project Managers.

This announcement of the Education First RFA seeks to implement a cost-effective, high-quality transportation service offering designated pick-up location and/or drop-off locations. Routes may be modified depending on customer and school institutional needs, construction, accidents, etc. This program is expected to launch within one to two weeks of award, or as soon as possible after all drivers and transportation aides pass the standard criminal background checks, Child Registry screening as well as obtain any required medical documentation, including a copy of the driver's CPR and First Aid certification(s). DFHV will expect the awardee to work through the last several weeks of the FY2022 in preparation of an October 1, 2022 start. DFHV will expect the Awardee to ensure transportation services are maintained throughout FY23 without interruption (October 1, 2022, thru September 30, 2023).

The selected applicant must have a business license with the District of Columbia and must comply with Title 31 of the District of Columbia Municipal Regulations in its entirety with an emphasis on: Chapter 9, Insurance Requirements for Public Vehicles-For-Hire; Chapter 16, Dispatch Services and District of Columbia Taxicab Industry CO-OP, and Chapter 18, Wheelchair Accessible Paratransit Taxicab Services.

The transportation service envisioned for this project is currently a taxicab which includes a transportation aide and driver sufficient to transport between 1 – 2 students per sedan. Service will be generally provided in the morning and afternoon (6:30 am – 10:00 am and 2:00 pm to 5:00 pm, Monday through Friday, five (5) days a week to the designed pick-up and drop-off locations, determined by CFSA.

NOTE: An awardee should plan approximately two hours (2) of service in the morning, and two (2) hours of services in the afternoon, however, be flexible enough to accommodate for less or more hours of services depending on the daily situation.
