- b. Ensure that the sub awardees are aware that they are subject to all applicable terms, conditions, and requirements of the RFA, GAN, and appendices.
- c. Establish and follow a system for monitoring sub awardee performance that includes elements required by the RFA, GAN, and appendices and report the results of the monitoring in required performance reports.
- d. Establish and maintain an accounting system that ensures compliance with the maximum funding limitation established in the GAN and with the requirements for payment of costs under the Grant. This includes establishment of written procedures for determining that subaward costs are allowable under the GAN, and may provide for determinations on a pre-award basis, through ongoing monitoring of costs that subgrantees incur, or a combination of

both approaches, provided the Grantee documents its determinations.

14. Entry onto a project site

The Grantee shall provide the District with access to the project site(s) and to books and records for the funded project. The Grantee also shall secure from the relevant property owner permission in writing for DMPSJ or its designee to access a project site/s at reasonable times to inspect the work performed by the Grantee, its contractor, subcontractor, subgrantee, or vendor. The Grantee shall obtain the written consent in advance of performing the work.

15. Facilities controlled by the Grantee

- a. If a facility controlled by the Grantee is used during the performance of projects under the grant, it shall meet all applicable federal, state, and local regulations for the intended use. Such a facility includes an office, training room, storage yard, or staging area.
- b. With respect to such a facility, the Grantee shall identify an emergency site facility to finish the activities of the Grant if the primary facility becomes unavailable for use due to a catastrophic event.
- c. Each facility controlled by the Grantee that is used for activities under the Grant shall be accessible to mobility-limited persons consistent with the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 701 et seq., and the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq. This means that if a facility is not required to be modified under either Act, the Grantee need not modify it, but DMPSJ will require the Grantee to explain how it will seek to accommodate mobility-limited persons.

16. Safe work environment

The Grantee, and its contractors, subcontractors, or subgrantees, shall provide a safe work environment for work on DMPSJ-funded projects. The Grantee shall provide a procedure for reporting unsafe working conditions and addressing reports made. If the Grantee, contractor, subcontractor, or subgrantee receives an allegation of an unsafe working condition or practice or has a safety incident, the pertinent party shall investigate the reported unsafe condition or practice and take appropriate action to address the situation in a timely manner. The incident and response shall be described in the Grantee's next grant report.

17. Unusual incident reporting

The Grantee shall report each unusual incident involving or affecting performance of the Grant to the Grant Administrator within twenty-four (24) hours of the incident or of the Grantee's learning of the incident. The initial report may be oral or in writing (typically by e-mail). The Grantee shall, within five (5) days of the incident, communicate in writing to the Grant Administrator a full description of the incident and any response(s) taken or to be taken in response to the incident.

An unusual incident is an event or occurrence significantly different from routine or established procedure that affects or may affect performance of the Grant. Examples include, but are not limited to, an injury, a traffic accident, a theft, or the firing or resignation of a principal staff member or contractor identified in the Application.

18. Termination

The Grant, and the offer of the Grant, shall be subject to termination by DMPSJ:

 - Failure of the Grantee to carry out a grant remediation plan ordered by DMPSJ;
 - An ethics violation involving the grant, pursuant to the ethical standards in the most recent version of the District Ethics Manual, published by the District's Board of Ethics and Government Accountability (bega.dc.gov), as of the date that the GAN was sent;
 - Cessation of insurance coverage without replacement of similar coverage; or
 - Fraud, waste or abuse.
- c. After the Grantee has acknowledged or otherwise signified receipt of the Grant, fourteen (14) calendar days after the Grantee receives from DMPSJ written notice of termination due to:
- Force majeure, as defined and described below; or
 - Cause, as defined and described below.

19. Termination for force majeure or cause

- a. For force majeure DMPSJ may terminate the grant and the Grantee may seek certain reimbursement, as described in this section.
- b. For cause DMPSJ may terminate the grant, but the Grantee may not receive the reimbursement allowed for termination on the basis of force majeure.

 - ii. Performed incompetently, recklessly, or unlawfully.
 - Force majeure is a condition or occurrence which provides a valid excuse to failure to perform within the time frame of the grant, an unexpected and disruptive event which DMPSJ determines could not have reasonably been anticipated or controlled, and includes:

 - ii. A change in applicable law;
 - iii. An unforeseen weather event;
 - iv. Organized labor strike or slowdown; and
 - v. Refusal of a necessary third party to approve, agree, or participate, following the Grantee's reasonable attempts to secure same.
- d. The Grantee may not invoke force majeure as an excuse for poor planning, failure to accommodate foreseeable delays by suppliers, or the Grantee's failure to manage its own resources.
- e. For force majeure, the Grantee may seek reimbursement for otherwise-reimbursable expenditures incurred up to the date of termination, as well as reasonable costs incurred for demobilization.

20. Unspent funds

Funds provided under this Grant, but not spent to fulfill the terms of the Grant, shall be returned immediately to DMPSJ upon completion of all work required under the Grant, termination of the Grant, or the Grant end date, whichever is earliest.

The Grantee shall seek such assistance from each vendor of a Big Grant Purchase.
- f. At any time before final payment on this Grant, or the end of the District fiscal year in which the Grant ends, whichever is later, and for three (3) years thereafter, the District shall have the right to audit the Grantee, its contractors, subcontractors, or subgrantees. The District may, during this period, seek to audit vendors of Big Grant Purchases. If federal funds have been granted or subgranted, a federal agency may undertake such audits. The Grantee shall assist the District in obtaining the cooperation of its contractors, subcontractors, subgrantees, and vendors in such audits.

23. Document retention for three years

- a. For three (3) years after the final DMPSJ payment of the Grant, or the end of the District fiscal year in which the Grant ends, whichever is later, the Grantee must maintain complete documentation of the Grant activities, including financial records and other documents supporting accounting entries. Upon request by DMPSJ, the Grantee must be able to produce for review the documentation, including for DMPSJ audit or, if applicable, federal audit.
- b. The Grantee must produce these materials for review, permit review of them, and respond promptly to questions regarding them, upon request by this agency or an auditor's request.
- c. If a claim, litigation, or audit is filed or commenced before the expiration of the three-year period, the documentation retention period shall be tolled, and documentation must be preserved until the claim, litigation, or audit has been finally resolved.
- d. The Grantee shall secure the agreement to the provisions of this section in writing from a person that this appendix subjects to an audit requirement.

24. Attribution of funding

- c. DMPSJ will not unreasonably withhold consent to a request by the Grantee for a nonexclusive license to use aggregated, non-confidential data, including for publication in professional and scientific journals and at professional meetings.
- d. The documents for this Grant are public documents and may be disclosed under the District's Freedom of Information Act, D.C. Official Code §§ 2-531-40. DMPSJ shall have the right to disclose to a third party the identity of a person providing a service or good under this Grant and the terms of insurance obtained pursuant to this Grant.
- e. The Grant may involve activities in which confidential information is provided to the Grantee. DMPSJ may also advise the Grantee in writing as to the content and nature of confidential information. When the Grantee uses or has access to confidential information, it shall treat the information as follows:
 - The Grantee shall use confidential information only to the extent required to accomplish the purposes of this Grant.
 - The Grantee shall not disclose confidential information to others without the express written permission of DMPSJ. Exception: The Grantee may disclose confidential information to its contractors or subgrantees who have agreed in writing to be bound by the disclosure limitations in this section.
 - To be considered confidential information subject to the disclosure limitations in this section, the agency's orally provided information shall be identified as confidential at the time of disclosure, summarized in writing and the summary delivered within thirty (30) days of disclosure.
 - Confidential information shall not pass in ownership to the Grantee. The furnishing of confidential information does not constitute a license to the Grantee to use the information for purposes beyond the activities of this Grant.
 - After being requested by DMPSJ to destroy confidential information, the Grantee shall return or destroy it within seven (7) days. Destruction shall be verified by the Grantee in writing by a duly authorized officer or manager. Confidential information that is not returned or destroyed shall remain subject to the confidentiality obligations set forth in this section.

28. Special provisions for certain programs or projects

Special provisions are written into the Request for Applications.

29. Requests for reconsideration of certain decisions

In certain limited circumstances, DMPSJ provides the following procedure for an applicant to seek review or reconsideration of a grant-making decision:

Request for reconsideration

- a. When DMPSJ decides to award a grant to a successful applicant, it will notify in writing each applicant whose application was not selected for award. At DMPSJ's discretion this notification may include a statement regarding eligibility, a reviewer's evaluation and comments, or a summary. It will not identify a reviewer or provide the contents of an application. Written notification may be made electronically, typically by email.
- b. If an unsuccessful applicant wishes to better understand the decision regarding an offered grant, the applicant may ask DMPSJ's Chief of Staff for further information. DMPSJ may meet with the applicant, explain the decision, and may provide reviewer evaluation, comment, or a summary.
- c. If an unsuccessful applicant wishes DMPSJ to reconsider the decision, the applicant must file a "Request for Reconsideration" in writing within seven (7) days of the date of the DMPSJ's notification. The filing should be addressed to the Deputy Mayor for Public Safety and Justice.
- d. A written request may be made electronically, typically by email to the published email address for the grant competition. DMPSJ encourages electronic communication.
- e. A Request for Reconsideration must include a concise statement of the reason(s) for the request and include all documentation and other evidence supporting the request.
- f. A request must identify the reasons for reconsideration and provide supporting evidence, or it will be denied.

DMPSJ response

- a. A change to the award decision will be made only because of fraud, a criminal act, or a material

error in the determination of eligibility.

- b. The Deputy Mayor for Public Safety and Justice, or their designee, will consider the Request for Reconsideration and the evidence provided.
- c. Ordinarily a decision will be issued within seven (7) days, except the Deputy Mayor may extend that time, and will notify the requestor in writing of an extension.
- d. The Deputy Mayor may halt the award of the grant while the Request for Reconsideration is pending.
- e. After reconsideration, the Deputy Mayor will inform the requestor in writing of the determination.
- f. If the Deputy Mayor determines that a valid basis for a change to the award exists, the Deputy Mayor may:
 - 1. Reopen the grant application process, in whole or in part;
 - 2. Revise or revoke an award; or
 - 3. Take other appropriate action to address an error.

30. Effect of the award

Unless the DMPSJ states otherwise in writing, either (a) seven (7) days after a grant's announcement, or (b) upon affirmation of a grant after considering a request for reconsideration, an award of the grant constitutes final DMPSJ action on the grant.
