

**DEPARTMENT OF ENERGY AND ENVIRONMENT
NOTICE OF FUNDING AVAILABILITY**

**DOEE Office of Energy Efficiency and Renewable Energy (EERE)
Vehicle Technologies Office (VTO) grant application**

The Department of Energy and Environment (DOEE) seeks eligible entities to partner with the Department on its application to the U.S. Department of Energy (US DOE) Fiscal Year 2024 Vehicle Technologies Office (VTO) Technology Integration Funding Opportunity (FO). DOEE intends to seek funding for a “Clean Transportation Demonstration and Deployment” project.

DOEE seeks one or more partners to assist in determining how best to meet the need for affordable, resilient, sustainable, grid-friendly, public electric vehicle charging in underserved District of Columbia wards. DOEE intends to include each successful application in its application to US DOE up to the FO limit.

An applicant to this partnership opportunity may request up to \$750,000. DOEE’s request to US DOE will not exceed \$1 million. The applicant should describe how they will help DOEE meet the required 50% local match to federal funds.

Beginning 03-15-2024, the full text of the Request for Partners (RFP) will be available on the Department’s website. A person may obtain a copy of this RFP by any of the following means:
