

**DEPARTMENT OF ENERGY AND ENVIRONMENT
NOTICE OF FUNDING AVAILABILITY**

Permeable Surface Rebate Program

The Department of Energy and Environment (the Department) seeks eligible entities to manage DOEE's Permeable Surface Rebate Program. The program will identify private property owners in the District willing to install permeable pavers and provide rebates to the owners for that purpose. The program will also educate District property owners about stormwater runoff, permeable pavement, the rebate program, and how the rebate program may complement other incentive programs available from DOEE. The amount available for the project is \$950,000.

Beginning 10/20/2023, the full text of the Request for Applications (RFA) will be available on the Department's website. A person may obtain a copy of this RFA by any of the following means:
