

**DEPARTMENT OF ENERGY AND ENVIRONMENT  
NOTICE OF REQUEST FOR PROJECT PARTNER PROPOSALS AND FUNDING  
AVAILABILITY (RFP)**

**Reducing Boat Sewage Discharge From Recreational Boats into District Waterways**

The Department of Energy and Environment (the Department) seeks eligible entities who, after this competition, will have their proposal submitted to the US Fish & Wildlife Service for a federal grant. The grant would be for projects that will provide new or improved boat sewage pumpouts for recreational boats. The purpose of these grants is to reduce sewage in the rivers of the District of Columbia and the Chesapeake Bay by providing pumpout services to recreational boaters in the District of Columbia. The amount available for the project is up to \$1,500,000.

Beginning 10/28/2022, the full text of the Request for Project Partner Proposals (RFP) will be available on the Department's website. A person may obtain a copy of this RFP by any of the following means:

**Download** from the Department's website, [www.doe.dc.gov](http://www.doe.dc.gov). Select the *Resources* tab. Cursor over the pull-down list and select *Grants and Funding*. On the new page, cursor down to this RFP. Click on *Read More* and download this RFP and related information from the *Attachments* section.

**Email** a request to [fwdrfa.grants2@dc.gov](mailto:fwdrfa.grants2@dc.gov) with "Request copy of RFP 2022-2223-FWD" in the subject line.

**The deadline for application submissions is 11/30/2022.** The online application must be time stamped by 11:59 p.m. on the date the application is due.

**Eligibility:** All the checked institutions below may apply for these grants:

- Nonprofit organizations, including those with IRS 501(c)(3) or 501(c)(4) determinations;
- Faith-based organizations;
- Government agencies;
- Universities/educational institutions; and
- Private Enterprises.
