SECTION I – BACKGROUND

A. Introduction

The DC Office of Planning (OP) is soliciting grant applications from the following Central Washington Business/Community Improvement Districts: DC BID Council, Mount Vernon Triangle CID, Downtown BID, Golden Triangle BID, Dupont Circle BID, and Adams Morgan Partnership BID. The **Streets for People Grant** will fund these organizations for infrastructure and equipment materials enhancements to retrofit the public right-of-way to allow for temporary activation of streets and parks, on a recurring basis, to catalyze economic recovery and support local businesses.

Background

Safety protocols and precautions related to the COVID-19 public health emergency and increased teleworking have kept large numbers of office workers, residents, and visitors away from major commercial corridors in central Washington. As a result, a severe reduction in foot traffic in these areas has disrupted retail, hospitality, and arts and entertainment venues. Many businesses have been forced to close or reduce operations.

Public space is a vital asset for revitalizing central Washington and facilitating economic recovery. The recent expansion of outdoor dining into District streets has demonstrated how a new temporary public space infrastructure can allow for the flexible public space needed to support safe gathering for residents and visitors to engage in dining, commerce, entertainment, and recreation. The District seeks to expand the utilization of sidewalks, alleys, curbside space, parking, and travel lanes to create vibrant public spaces that will support economic recovery, re-envision public space activation, promote equity, leverage the work of local artists, cultural organizations and businesses (particularly those that focus on Black, Indigenous and People of Color communities), celebrate DC's vibrant culture, and attract more residents, workers and visitors to central Washington. Successful applicants will propose activities to activate public spaces throughout Spring, Summer and Fall of 2022.

Goals

1. Retrofit streets and sidewalks to allow for the temporary conversion of streets in central Washington to places for pedestrian-based activities on a recurring basis;
2. Activate streets and sidewalks to increase daytime and nighttime foot traffic;
3. Attract the public to dine and shop at local restaurants and retailers and contribute to the economic recovery of Central Washington.

B. Eligible Activities

A minimum of **75% of grant funds** must go toward the purchase, rental, and/or storage of public space furniture, security barriers, pavilions, stages, outdoor dining platforms, or similar equipment, to be used in support of recurring events on streets, sidewalks, and alleyways.

A maximum of **25% of grant funds** may be used toward other activities including, but are not limited to:

- Services and programming provided in the District of Columbia and within the specified geographic boundaries of the individual applicant.
- Security costs associated with activities.

- Staff support for planning and permitting of activities.
- Re-granting to organizations who provide support for activities.
- Costs associated with artists, performers, or other entertainment or commissions (such as murals) related to the activation events.

Grant funds may not be used for the following:

- One-time events (single day-events that are not recurring)
- Food expenditures
- Lobbying
- To cover any expenses made prior to the grant award
- To finance existing debt, including payment of taxes owed
- For expenses which are reimbursed by a different grant from DC Government
- For personal use or other uses not related to the business identified in the grant

C. Permitting

All proposed events must have the required permits in place before initiation. Grantees are responsible for identifying the need for and receiving approval for all required permits. For additional information, please refer to the [DC Public Space Stewardship Activation Guide](#), 2018. Where possible, OP will provide assistance and support to the Grantees to facilitate the permitting process.

Successful applicants will launch activities during Spring, Summer and Fall of 2022. The RFA does not commit OP to make an award. 2. March - December 31, 2022 organizations use grant funding to purchase equipment and conduct events.

Additionally, during the grant period, grantees shall be available to provide verbal progress reports at the request of OP staff.

Award funds not distributed to grantees by September 30, 2022, are 1) required to be reallocated by the District to OP on or after October 1, 2022, before the funds are available to be distributed to the grantee, and 2) subject to be reallocated by the District to a different agency. The RFA does not commit OP to make an award.

The Grantee will be reimbursed for work performed and expenses incurred, once properly invoiced by the Grantee. OP reserves the right to consider making advance payments, when the Grantee requests such payment and includes one or more-line items on the invoice stating what the funds will be used for during the term of agreement. For advance payments made, the Grantee will be required to report on the spending of the funds. For reimbursement requests, the Grantee shall include supporting documents (canceled checks, proof of credit card payments, time sheets, etc.) documenting and verifying each cost to be reimbursed.

12. Modifications of the grant, including extensions and increases

The terms and conditions of the grant may be modified only upon the prior written approval of OP. The modification shall take the form of an amendment to the GAN.

- a. Through an amendment, OP may increase or reduce the grant amount, change scope, and/or extend or reduce the grant period.
- b. If OP notifies the Grantee that a funding increase or an extension of the grant period is available, the Grantee must apply for the increase or extension in writing according to the terms of the OP notification. Typically, OP requires an application to extend a grant period eight (8) weeks in advance of the grant's then-current end date. The application must justify the amendment, and include a description of proposed changes to scope, performance schedule, description of proposed outcomes, and budget.

13. Contracts, subcontracts, or subgrants

- a. Nothing in the GAN shall be construed to create a contractual relationship between OP and Grantee's contractor, subcontractor, subgrantee, or vendor.
- b. Any Grant-related work and/or activity that is contracted, subcontracted, or subgranted is subject to applicable District law and review and approval by OP. The Grantee shall give OP advance notice of contracts, subcontracts, and subgrants enough time to allow OP to determine whether its approval is needed, and, if so, whether approval must come before the Grantee's execution of the contract, subcontract, or subgrant.
- c. The Grantee's contract, subcontract, or subgrant shall specify that the contractor, subcontractor, or subgrantee, and its contractors, subcontractors, or subgrantees, shall be subject to the conditions and prohibitions of the GAN.

- e. If the Grantee, its contractors, subcontractors, or subgrantees disturbs work guaranteed under another District contract or grant, the Grantee shall be responsible to restore the disturbed work to a condition comparable to its original condition and warranty such restored work, or alternatively to pay the District for the damage.
- f. No Grantee shall use grant funds to procure services or materials from a vendor, contractor, or subcontractor that is suspended or debarred by the District or the federal government.

14. Establishing and managing subawards

If the Grant authorizes or provides for subawards, the Grantee, as a pass-through entity, must:

- a. Ensure that all subaward agreements are in writing and address all elements for subaward agreements identified in the RFA and GAN.
- b. Ensure that the subawardees are aware that they are subject to all applicable terms, conditions, and requirements of the RFA, GAN, and appendices.
- c. Establish and follow a system for monitoring subawardee performance that includes elements required by the RFA, GAN, and appendices and report the results of the monitoring in required performance reports.
- d. Establish and maintain an accounting system that ensures compliance with the maximum funding limitation established in the GAN and with the requirements for payment of costs under the Grant. This includes establishment of written procedures for determining that subaward costs are allowable under the GAN, and may provide for determinations on a pre-award basis, through ongoing monitoring of costs that subgrantees incur, or a combination of both approaches, provided the Grantee documents its determinations.

15. Entry onto a project site

The Grantee shall provide the District with access to the project site(s) and to books and records for the funded project. The Grantee also shall secure from the relevant property owner permission in writing for OP or its designee to access a project site/s at reasonable times to inspect the work performed by the Grantee, its contractor, subcontractor, subgrantee, or vendor. - c. Each facility controlled by the Grantee that is used for activities under the Grant shall be accessible to mobility-limited persons consistent with the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 701 et seq., and the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq. This means that if a facility is not required to be modified under either Act, the Grantee need not modify it, but OP will require the Grantee to explain how it will seek to accommodate mobility-limited persons.

17. Safe work environment

The Grantee, and its contractors, subcontractors, or subgrantees, shall provide a safe work environment for work on OP -funded projects. The Grantee shall provide a procedure for reporting unsafe working conditions and addressing reports made. - e. For force majeure, the Grantee may seek reimbursement for otherwise-reimbursable expenditures incurred up to the date of termination, as well as reasonable costs incurred for demobilization.

Special provisions are written into the Request for Applications.

30. Requests for reconsideration of certain decisions

In certain limited circumstances OP provides the following procedure for an applicant to seek review or reconsideration of a grant-making decision:

Request for reconsideration

- a. When the Department decides to award a grant to a successful applicant, it will notify in writing each applicant whose application was not selected for award. At the Department's discretion this notification may include a statement regarding eligibility, a reviewer's evaluation and comments, or a summary. It will not identify a reviewer or provide the contents of an application. Written notification may be made electronically, typically by email.
- b. If an unsuccessful applicant wishes to better understand the decision regarding an offered grant, the applicant may ask the Department's Grants Division for further information. The Department may meet with the applicant, explain the decision, and may provide reviewer evaluation, comment, or a summary.

- c. If an unsuccessful applicant wishes the Department to reconsider the decision, the applicant must file a “Request for Reconsideration” in writing within seven (7) days of the date of the Department’s notification. The filing should be addressed to the Department Director.
- d. A written request may be made electronically, typically by email to the published email address for the grant competition. The Department encourages electronic communication.
- e. A Request for Reconsideration must include a concise statement of the reason(s) for the request and include all documentation and other evidence supporting the request.
- f. A request must identify the reasons for reconsideration and provide supporting evidence, or it will be denied.

Department response

- a. A change to the award decision will be made only because of fraud, a criminal act, or a material error in the determination of eligibility.
- b. The Department Director, or designee, will consider the Request for Reconsideration and the evidence provided.
- c. Ordinarily a decision will be issued within seven (7) days, except the Director may extend that time, and will notify the requestor in writing of an extension.
- d. The Director may halt the award of the grant while the Request for Reconsideration is pending.
- e. After reconsideration, the Director will inform the requestor in writing of the determination.
- f. If the Director determines that a valid basis for a change to the award exists, the Director may:
 - 1. Reopen the grant application process, in whole or in part;
 - 2. Revise or revoke an award; or
 - 3. Take other appropriate action to address an error.

Effect of the award

Unless the Department states otherwise in writing, either (a) seven (7) days after a grant’s announcement, or (b) upon affirmation of a grant after considering a request for reconsideration, an award of the grant constitutes final Department action on the grant.
