

**DEPARTMENT OF ENERGY AND ENVIRONMENT
NOTICE OF FUNDING AVAILABILITY**

Restoring the District's Natural Areas

The Department of Energy and Environment (the Department) seeks to restore historically-underserved publicly-owned parks and natural green spaces in the District by removing trash and invasive species, maintaining trails, and engaging residents with their local parklands beyond volunteer and clean-up opportunities. The amount available for the project is \$150,000. The Department anticipates making three awards of up to \$50,000 each.

Beginning 12/17/21, the full text of the Request for Applications (RFA) will be available on the Department's website. A person may obtain a copy of this RFA by any of the following means:

Download from the Department's website, www.doe.dc.gov. Select the *Resources* tab. Cursor over the pull-down list and select *Grants and Funding*. On the new page, cursor down to this RFA. Click on *Read More* and download this RFA and related information from the *Attachments* section.

Email a request to parcs.maintenance2022@dc.gov with "Request copy of RFA 2022-2201-WPD" in the subject line.

The deadline for application submissions is 1/28/2022. The online application must be time stamped by 11:59 p.m. on the date the application is due.

Eligibility: All the checked institutions below may apply for these grants:

- Nonprofit organizations, including those with IRS 501(c)(3) or 501(c)(4) determinations;
- Faith-based organizations;
- Government agencies;
- Universities/educational institutions; and
- Private Enterprises.

DOEE will conduct the following virtual info sessions. **Attendance is not required:**

Wednesday, January 7, starting at 1:00 pm EST
