- A. GENERAL REQUIREMENTS. The Grantee at its sole expense shall procure and maintain, during the entire period of performance under this contract, the types of insurance specified below. The Grantee shall have its insurance broker or insurance company submit a Certificate of Insurance to the CO giving evidence of the required coverage prior to commencing performance under this contract. In no event shall any work be performed until the required Certificates of Insurance signed by an authorized representative of the insurer(s) have been provided to, and accepted by, the CO. All insurance shall be written with financially responsible companies authorized to do business in the District of Columbia or in the jurisdiction where the work is to be performed and have an A.M. Best Company rating of A- / VII or higher. Should the Grantee decide to engage a subGrantee for segments of the work under this contract and wish to propose different insurance requirements than outlined below, then, prior to commencement of work by the subcontractor, the Grantee shall submit in writing the name and brief description of work to be performed by the subGrantee on the Subcontractor Insurance Requirement Template provided by the CA, to the Office of Risk Management (ORM). ORM will determine the insurance requirements applicable to the subGrantee and promptly deliver such requirements in writing to the Grantee and the CA. The Grantee must provide proof of the subGrantee's required insurance prior to commencement of work by the subGrantee. If the Grantee decides to engage a subGrantee without requesting from ORM specific insurance requirements for the subGrantee, such subGrantee shall have the same insurance requirements as the Grantee.

General liability, commercial auto, workers' compensation and property insurance policies (if applicable to this agreement) shall contain a waiver of subrogation provision in favor of the Government of the District of Columbia.

The Government of the District of Columbia shall be included in all policies required hereunder to be maintained by the Grantee and its subGrantees (except for workers' compensation and professional liability insurance) as an additional insureds for claims against The Government of the District of Columbia relating to this contract, with the understanding that any affirmative obligation imposed upon the insured Grantee or its subGrantees (including without limitation the liability to pay premiums) shall be the sole obligation of the Grantee or its subGrantees, and not the additional insured. The additional insured status under the Grantee's and its subGrantees' Commercial General Liability insurance policies shall be effected using the ISO Additional Insured Endorsement form CG 20 10 11 85 (or CG 20 10 07 04 **and** CG 20 37 07 04) or such other endorsement or combination of endorsements providing coverage at least as broad and approved by the CO in writing. All of the Grantee's and its subGrantees' liability policies (except for workers' compensation and professional liability insurance) shall be

These policies shall include a separation of insureds clause applicable to the additional insured.
